

1. Think about what you want, not about what you don't.
2. Think good, you will feel good.
3. Every thought should be related to love.
4. Steps of creative process
  1. Step-1 → Ask and be clear about 'Keep it in your mind'.
  2. Step-2 → Believe that you got what you want.
  3. Step-3 → Receive, Think about how you will feel after getting what you want.
5. Create your day in advance, (Think that it will happen good before it happens)
6. Be thankful for everything you have, you got.
7. Think about money to get money.
8. Give money to get money.

Goals → I am bold sochna ki vishwas rakhna hai isme mai itni bold hu ki kisi me himmat nhi ki aankh uthake dekh bhi le.

9. Khud ko aisa treat kro jaisa tum chahate ho log tumko treat kre.
10. Laughter is the best medicine.
11. Praising & blessing can stop the negativity in the world.
12. Don't focus on "mai nhi hu", focus on "mai hu".
13. Be aware of your thoughts.
14. Apni khushi ki life committed rho, accha feel kro.
